Profile

The glory of gardening: hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just on the body, but the soul." Alfred Austin

After studying 3D dimensional design, and getting a degree in Sculptural Ceramics, I worked in interior design for several years. I went on to study Horticulture, Garden Design and Hard Landscaping at Capel Manor Horticultural College in North London.

Since 2002 I have created stunning rural and urban outdoor spaces, ranging from rambling country gardens to the smallest of courtyards, in both contemporary and traditional styles.

Working with experienced landscapers, lighting specialists and other highly skilled professionals, we create stunning individual gardens - designed and built with unparalleled attention to detail.

My career highlight to date? A prestigious RHS Silver Gilt Medal for a garden I designed at the RHS Hampton Court Flower Show.

If you're looking for professional and experienced garden design in North London, Hertfordshire, Essex and the South East, please give me a call on 020 8449 5781. I'd love to help you.

Areas I often work in include but aren't limited to - Barnet, Essex, Bucks, Hadley Wood, Arkley, Totteridge, Mill Hill, Highgate, Hampstead, Finchley, Brookmans Park, St John's Wood, Islington, Muswell Hill, Crouch End, Southgate, Enfield, Hitchin, St Albans, Radlett, Stanmore, Winchmore Hill, Letchworth, Stevenage, Hatfield, Potters Bar, Hertford, Sawbridgeworth, Welwyn, Amersham, Kings Langley, Loughton, Hemel Hempstead, Harlow, Watford, Bushey and Cheshunt.

TESTIMONIAL

"Having decided to update my website, I approached Fiona to assist me with the copy. It was the best decision as it allowed me to continue with the day to day running of my business. Fiona produced fabulous, relevant copy; on budget, and on time. She was a pleasure to work with, taking the time to understand my business and the message I wanted to put across to prospective clients. I would have no hesitation in recommending both her and her services."
