BRIEF

Edit and re-write where necessary, ensuring consistency and suitability of content throughout 80 pages

THIS IS HOW IT LOOKS

TESTIMONIAL

"We were delighted with Fiona's invaluable guidance and creative input in helping to put together a ten year commemorative booklet for an international organisation. With texts written in English by delegates from 26 countries her constructive criticisms and patience were greatly appreciated and helped ensure a consistent and balanced product. Although the deadlines moved, Fiona continued to turn around copy quickly and accurately whilst checking relevant facts and details in the process. We look forward to working with Fiona again."

Michael Newman, ITF
