Catseye Coaching

BRIEF

To succinctly re-write a website for a business coach

THIS IS HOW IT LOOKS

TESTIMONIAL

"Following my first website being hacked and the content destroyed, I looked at it being an opportunity to move it forward to where my business was now and to where it was going. However, while I knew in my mind what I wanted, I struggled with vocalising it succinctly. Thankfully I met Fiona Mocatta through the WIBN network and from our first conversation I knew she instantly understood what Catseye Coaching was about and what I wanted to achieve through the website. Through her efficient and organised approach she quickly had the first draft of content and I was up and running in less than a week. What Fiona did for my business in such a short time would have taken me an eternity (or more than likely I'd never have achieved it). Thank you Fiona for your amazing work and I look forward to our next project together."
